IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

RECEIVED

Applicant: Derek van der Kooy et al.

Art Unit: 1614

OCT 12 1999

Serial No.: 09/333,248

Examiner:

TECH CENTER 1600/2900

Filed: June 15, 1999

Title: PHARMACEUTICALS CONTAINING RETINAL STEM CELLS

Assistant Commissioner of Patents

Washington, D.C. 20231

INFORMATION DISCLOSURE STATEMENT

Applicant submits the references listed on the attached form PTO 1449.

Submission of this statement is not a representation that a search has been made nor is information included in this statement an admission that the information is material to patentability.

Under 35 USC 120, this application relies on the earlier filing date of application serial number 08/937,967, filed on September 25, 1997. The following references were submitted to and/or cited by the Office in the prior application and, therefore, are not provided in this application:

PCT International Application No. PCT 93/01275

PCT International Application No. PCT 94/09119

PCT International Application No. PCT 94/10292

PCT International Application No. PCT 95/13364

PCT International Application No. PCT 94/16718
